These types of people are rare, special and when we find them, very difficult to forget. Jon Gordon's Hard Hat Hat is a true story about George Boiardi's life, a Cornell lacrosse player who tragically lost his life playing the game he loved in 2004. This deep story examines the life of a transcendent team leader and the teammate that we all should try to model. Gordon takes lessons from George's life, his team and his legacy. It gives the reader 21 lessons to be a great teammate along with 21 exercises (as a leader) to help you build a great team culture. After reading this remarkable story, you will understand how, more than 11 years after your death, George is still having an incredible impact on his loved ones, Cornell Lacrosse, and many other people around the world, including you ... The great idea: the greatest argument in the book "Let the place better than you found it"- The Hard Hand Hat, Page 72 When reading this book and writing this summary, I tried a lot to think about moments in my professional career that being a "good teammate" was discussed and discussed. You hear about all the time in sports, but very rarely in business. In business, we talk a lot about the culture of an organization or the culture of our team and then this discussion quickly focuses on the leadership and what they are doing to drive this culture. And although the role of a leader in any business is fundamental to success, we often ignore the fact that the team's people have the responsibility to contribute and also boost this culture. Jon Gordon puts this statement in perspective, stating that a good teammate is something in which one can work, it can be influenced and can become at. And ultimately, by doing so, you will naturally position yourself as a leader through your actions and how you treat people. It's a very simple thought but one that I find rare especially in today's ultra-competitive business environment. I surmised from The Hard Hat that being a good teammate can be just as influential to a team or organization as being a great leader. When it comes down to it, they are actually one in the same. An actionable way to implement the Big Idea into your life "Some leaders lead by charisma. George led by example"- The Hard Hat, page 49 Benjamin Franklin was famously quoted for saying "Well done is better than well said." This was the quote that George lived his life by. He wasn't the type of leader to motivate and inspire his team with his words. Instead, he inspired them through his actions, effort, and by doing things the right way. Anyone who is striving to be a leader can learn from George. By consistently setting the example for others through your actions, people will listen to you when you do speak because you will have earned their respect by how you operate on a daily basis. An actionable way to implement the Big Idea into your life "Come with me and let's get better"- The Hard Hat, page 64 George's defensive coach, Ben DeLuca, said, "George was a come with me kind of leader and teammate." He always included others in additional workouts or practice sessions outside of regular team activities and was the kind of person to make his whole team better by simply encouraging them to join him. This is a powerful lesson, to be a great leader and a great teammate. Jon Gordon says it best in the book: "If you want to be good, focus on making yourself better. If you want to be great, focus on making your team better." Simply by investing extra time to help and encourage others to do something positive along with you, you're helping to create something positive. .epiuge ed oriehnampoc rohlem o res e rodagoj rohlem o res e \$Anerefid ednarg amU etsixe euq ;Ah euq erbocsed ogol e - epiuge ed oriehnampoc rohlem oa odidecnoc laicepse oim\$Arp mu erbos ednnerpa ale ,acit;Arp ed aid oriemirp oN .alocse aus ed emit on ragoj me uohnos erpmes euq eteuqsab ed etnama asotnelat amu , "yekciM" euges air\$Atsih A .ats\$Aurtla epiuge me ohlabart od e edazima ad ,of\$Arepoooc ad redop o ednetne ... sotluda e ... sa\$Anairc sa maduja euq adiv a madum euq se\$AiL e societ;Arp sthgisni odnatneserpa e serotiel snaevoj odnevlovne ,orvil od oelc\$An o of\$As" eM erofeB eW "saifosolif sa e" epiuge ed oriehnampoc ednarg mu res ed sarienam 01 ed 01 "saifosolif sa A .epiuge ed sageloc sednarg meres a sa\$Anairc sa anisne euq arodaripsni air\$Atsih amu @A" sdiK .sodot arap osoilav sam ,sa\$Anairc arap otircse - epiuge me ohlabart o erbos se\$AiL moc arodaripsni air\$Atsih amu @A" sdiK rof paH taH draH ehT" ?ossi radum arap ;Arraf a\$cov euq o ,oir;Artnoc osAC ?epiuge ed oriehnampoc omit\$A mu maredisnoc o sele euq mairid epiuge aus ad sageloc sues :odnatnugrep ;Arcov raxied uov uE !odnum o arap odagel ues odnaunitnog odnasuac ;Atse llenroC ed essorcal ed amargorP o euq lev;Atidercani otcapmi o e draioB egroeG ed adiv ed air\$Atsih lev;Arvcni A od s\$Avarta laer adiv ad solpmexe so moc otnuj eugertne @A megasnen a ,serodavoni majes of\$An orvil od soip\$Cnirp so arobmE .soic\$Agen sod odnum oa m\$Abmat sam ,avitropse anera \$A sanepa of\$An adacilpa etnemlicaf res edop euq air\$Atsih amu atnoc egroeG ed adiv A .iap uo rodaniert ,epiuge ed oriehnampoc ,rohlem red\$Al mu ranrot es atnet meuq a airadnemocer ue euq zacipsrep e etnacot ,etnevlovne etnemlevircni arutil amu iof nodroG noJ ed etecapac O .essorcal llenroC amargorp o e epiuge ed soriehnampoc sues moc evet egroeG euq o omoc ,oruodarud otcapmi mu ret assop ;Arcov zevlat e etneicifus o ossi a\$AaF .arucorp ;Arcov euq sodatuser so ra\$Anacla a o\$Aazinagro e epiuge aus ;Araduja euq o ,sodivlovne so sodot ;Araciceneb ossi erbos air\$Atsih amu @A euges es euq Hard work and compassion, and a clear literature on putting the team first. The inspiration for "The Hard Hat for Kids" is based on Cornell University's Lacrosse team and its captain, George Boiardi a "grandson of the famous mass cone chef BOY-AR-DEE. George was a star in the team, and exemplified to be a good teammate and wool at a very young age. Tragically, George died in the cornell Schoellkopf field while playing at the age of 22, but his legacy lives in the hearts of those who knew him "Famalia, friends, teammates, and students who came to him. . Loyal and selfless, George led for example. Says Gordon, "the care of my work has been to develop positive dials and this has evolved naturally to help build great teams. I think my books resonate because each one of us have to overcome adversity and challenges, and through Great leadership and teamwork finally we define ourselves and as we individually and collectively achieve success. " He adds: "I kept listening to parents and coaches that adolescents and university students are more self-affordable than ever, and I don't know how to be a great member of the team. I believe that if we can start to start Teaching these principles when you are young, we can change things for the better. " About John Gordon.
